**National Conference**  
**(Virtual-via Google Meet)**  
**English for Specific Purposes**  
**Issues and**  
**Contexts in Higher Education**  
**27<sup>th</sup> June 2022**

English is not only a means of communication but also a language which is taught in different fields to achieve occupational and academic purposes around the globe. One good example is teaching English for Specific Purposes (ESP). Through this conference, we will try to not only expose our work but also to discuss the problems faced in using English language, though, they are required to use it effectively in their field of study for scientific purposes. Thus, by doing so, we will investigate the status of English for Specific Purposes course in this field. This meeting and exchange of ideas also tries to identify the reasons behind learners' weaknesses, to provide some suggestions that may enhance the teaching of ESP in this field to help learners face their difficulties.

## **Topics of interest include, but are not limited to:**

1. Classroom Observation as a Research Tool in ESP
2. Teacher Motivation in ESP
3. The Teaching of ESP and its Challenges in University
4. Course Design and Delivery in ESP
5. Learning Business English in Algeria
6. Introducing Needs Analysis and English for Specific Purposes
7. Implications for the Teaching of English for Academic Purposes
8. Vocabulary and English for Specific Purposes
9. Selecting ESP Materials
10. Reading Difficulties in ESP
11. The Collaboration between Language and Disciplinary Specialists
